Background

DJS Consulting Group provides superior contract, acquisition, IT, and administrative support through the highest quality services, talented staff, and impactful client relationships.

DJS Consulting Group began with two Air Force Contract Specialist veterans and a single vision: to create a better government contracting space with high standards of service delivery and clear communication. Founders Douglas Janney and Joseph Sawyer began DJS Consulting in 2013, putting to work decades of experience gained abroad and at home. They’ve since established themselves as the go-to authorities in acquisition and contract management.
